...AS WE SHARE OUR GOOD NEWS

On Sunday April 3rd, an information session was held regarding the Ainley Group engineering study of our facility and also fundraising possibilities.

Chuck Wilson, a consultant with JD Klote & Assoc., will be at Collier full-time from May 8th-June 4th, conducting a Readiness Assessment. This consists primarily of focus group meetings. We hope close to 100% of our congregation will participate in a 1 hour focus group and provide feedback about what renovations or other ministry projects we wish to undertake as a congregation. Some background information and a letter of invitation have been mailed. Please sign up for a focus group on the sheets provided in the foyer.

Please contact William Haughton (Minister) or Bill McGregor (Board Chair) with your questions or comments.

Explorer Project

"I have settled in very well and I have been welcomed with open arms by everyone I have met!" How awesome is that! Becca has started a blog in which she will share her journey with all of her Collier Church family. It is a totally delightful look into the Explorer program and chronicles her experiences as she explores her faith in a completely different environment than she is used to living and with people she has just met.

She is pleased to share it with the congregation. Here is the link: <https://exploringwithbecca.Wordpress.com/>
