Memorial Gifts & Legacies Policy

Memorial Gifts are welcome and gladly received by Collier Street United Church. They are used in support of primary needs such as maintaining/improving the Church building and surroundings. They can be a one-off gift that is for a special project or can support the ongoing ministry of the Church. They should align with the Vision, Core Values, and Mission of the Church. Memorial Gifts are given to Collier to honor the memory of the individuals and leave a living story of love, solidarity, and compassion. In our faith community, Memorial Gifts are managed by the relevant personnel/teams to keep faith in the collective memory and heritage of the Church.

The following guidelines apply:

- Donations will be received through an email or letter to the office outlining the Memorial donation indicating the member/adherent who is being honored and the type of Memorial being considered.
- Donations can be specific for the Memorial Garden, the Building, and its surroundings and or un-specific.
- Donations can be paid in kind or cash/cheque/e-transfer in memory of members/adherents of Collier.
- Memorial gifts will be used in accordance with the wish of the donors, but Collier cannot guarantee that this gift will be used or maintained in perpetuity.
- Collier does not assume any responsibility for notifying donors (or their successors) that a memorial gift is no longer serviceable or no longer required, or that the building will no longer be in use for worship and work of the Church.
- Upon the sale or impending demolition of the Church building, donors (or their successors) may wish to have significant memorials returned to them at their cost.
